

MACHINE EMBROIDERED LANDSCAPE WORKSHOP

with Linda McBain Cuyler

2-Day Workshop, October 17-18, 2018

In this class you will try your hand at a painted, machine embroidered landscape. Whether you are new to machine embroidery or already know the basics, you will have fun as you start to play with paint and textures. After that, you will choose one of several provided scenes and paint the background with acrylic paint. Next, embellish and add visual interest and depth with machine embroidery. Finally, you will add even more texture with bobbin work and appliqué. Your completed piece (approximately 5" x 7") will make a beautiful framed work of art. For the workshop you will require a sewing machine that is in good working order. You can view her work at

<https://www.lindamcbaincuyler.com>
