

# ENGLISH PAPER PIECING WORKSHOP

with Dawn Hunt

## 1-Day Workshop, February 19, 2019

Come and spend a day exploring English Paper Piecing (EPP). We'll start with a discussion about needles, thimbles, tools, notions, fabric preparation & thread choices. Working on a throw pillow (or whatever you'd like your hexies to become, such as drink coasters) you will learn several techniques for fussy cutting motifs, basting your fabric to the templates and stitching the hexagons together. You'll also be introduced to an invisible hand appliqué stitch so you can appliqué your rosettes or other EEP motifs onto a ground material. (As an added bonus you can use the appliqué stitch to hand stitch bindings and labels on to your quilts.)

While you're stitching Dawn will give a brief overview of the 300 year history of hexagon and EPP quilts. You'll see that the design options are endless! You'll make a small sample in class and be on your way to completing it, and you'll leave with skills to embark on your own EPP journey.
